How does it feel to save hundreds of dollars every year?

It's up to you. Simply decide how much to contribute to your Healthcare FSA and funds are withdrawn from your paycheck *before taxes*. So you're not paying taxes on your full income. And that feels pretty good.

If you've ever used an app, you can do this.

Checking your balances and managing your account is as simple as using your smartphone. Just download the *EZ Receipts*® mobile app by WageWorks to access your account from anywhere.

If you want to save, here's how you start.

- Estimate your annual healthcare expenses and make your contributions accordingly
- Carryover plans allow you to transfer up to \$500 to the following year's plan
