

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Benefits may change upon renewal. For more information about your coverage, or to get a copy of the complete terms of coverage, visit Member Online Services at www.HorizonBlue.com/members or by calling 1-800-355-BLUE(2583). If you do not currently have coverage with Horizon BCBSNI you can view a sample policy here, HorizonBlue.com/samplebenefit-booklets. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-355-BLUE(2583) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,500.00 Individual/ \$3,000.00 Family for Tier 2 <u>providers</u> . Aggregate family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For Health OMNIA Tier 1 providers \$2,500.00 Individual/\$5,000.00 Family. For Health Tier 2 providers \$4,500.00 Individual/\$9,000.00 Family. Aggregate family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-</u> <u>pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.HorizonBlue.com or call 1-800-355-BLUE(2583) for a list of network providers . Benefits provided by in-network providers other than OMNIA Tier 1 providers are at the Tier 2 level of benefits, such as Tier 2 and BlueCard PPO providers .	You pay the least if you use a <u>provider</u> in OMNIA Tier 1. OMNIA Tier 1 applies to both OMNIA and BDTC providers (in select service areas). You pay more if you use a <u>provider</u> in Tier 2. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u>

	before you get services.
Do you need a <u>referral</u> to see No. a specialist?	You can see the <u>specialist</u> you choose without a <u>referral</u> .
