

General Information Regarding the Transition

Medical

- Prior SEHBP Horizon authorizations will be transferred to the new Horizon medical plan.
- Since deductibles and coinsurance start over on January 1 there is no need to be concerned regarding any deductible and coinsurance met for 2025.
- The in-network medical providers you are currently using under the SEHBP Horizon plan are the exact same in-network medical providers under the new Horizon plan.
- A new Horizon ID card will be sent to your home address. Be sure to use this card on and after 1/1/2025. It will look very similar to your current ID card. Be sure to use the ID card with the YHQ prefix in front of the 3HZN ID number.

Prescription

There are no changes to the prescription plan. It will remain with Benecard.
